Ernst Hospitality announces development of Hampton Inn & Suites in Hendersonville's New Indian Lake Village.

Hendersonville, Tennessee, July 10, 2007: Ernst Hospitality, a Hendersonville based hotel developer, announced the building of a 130 room Hampton Inn & Suites in the Indian Lake Village lifestyle community in Hendersonville, TN.

"We are truly excited to be the premier hotel & corporate meeting center provider for this progressive lifestyle development center," stated President, J.R. Ernst. "Our new Indian Lake Village Hampton Inn & Suites property will be a complimentary addition representing 12 years of hospitality expertise in Middle Tennessee which currently includes hotels in Hendersonville, Gallatin, and Springfield."

Indian Lake Village master developer Danny Hale, Managing Partner of HALO Properties, LLC commented by stating, "Ernst Hospitality and Hampton Inn & Suites are a perfect fit for Indian Lake Village. In addition to their being ranked among an elite group of top Hampton Inn operators from around the nation", he added, "they understand as a local custom residential builder the unparalleled growth opportunities represented by the surge of upscale retail and business customers in Indian Lake Village."

The Hampton Inn & Suites of Hendersonville will feature newly designed standard guest rooms and spacious studio suites, along with well-equipped meeting space for corporate and community use. Ernst concluded, "The hotel will not only provide visitors superior accommodations but also a destination to fully experience the nearby fine dining, upscale shopping, recreation, and working environments that Indian Lake Village will offer."

With a long-standing reputation for market leadership in corporate and leisure travel accommodations, The Hampton Inn & Suites lodging concept was designed to meet a wide variety of guest expectations and includes a warm, welcoming lobby with oversized, cozy seating, a comfortable breakfast area, gift and convenience shop, business services, high-speed internet access, in-room microwaves and refrigerators, swimming pool, and fitness center.

The 400+ acre Indian Lake Village Development is Tennessee's first-ever lifestyle community where living,

working, shopping, and playing are all within walking distance in a single neighborhood. Over the next 3-5 years, Indian Lake Village will be home to over 1,000 homes, 2.5 million square feet of Class A office space, 1.5 million square feet of high-end retail shops, restaurants, a multi-plex cinema, greenways, bike trails, and more.
